**INSTITUTIONAL DEVELOPMENT PLAN (2023-24 to 2027-28)**

**1. Innovation and Incubation Centre:**

- a. Millets Program in collaboration with other agencies

**2. Introduction of New Course:**

The College acknowledges the need to introduce new courses in the curriculum to give a wider choice to the students and to attract a greater number of students to it. Application for the introduction of the program Masters in Sports Management is sent to the University and the result is awaited. The College envisages introducing the course from the academic session 2024-25 which will help the college carve a niche on the global platform. This will help us in fulfilling the UGC mandate of having collaborations with foreign universities as Sports Management is a much sought after program.

**3. Mentoring Program:**

- a. **SRUJAN:** Internal Mentoring System – reaching out to every student

According to the recommendation of the NAAC Peer Team, the existing mentoring system of SRUJAN for the students will be strengthened keeping in view their basic needs from 2023-24. The initiation was done at the time of admission only. The form itself had all the information about the students necessary to know and understand them.

- b. **UMBARTHA:** Pre-marital counseling center

The College plans to extend the pre-marital counseling center to society from 2024-25. The center will involve external experts on a regular basis.

- c. **PARIS-SPARSH YOJANA:** Handholding for NAAC Accreditation

The College has been selected as a mentor in the *Paris-Sparsh Yojana* of Maharashtra State 2023-24, in which the College outreaches to the institutes which have not faced NAAC even once. This scheme is financed by the State Govt as well as the University and will give a chance to the College to share their expertise with other institutions and get a chance to develop itself in the process.

- d. **UTKARSH:** Handholding Colleges for NAAC Accreditation

Along with the *Paris-Sparsh Yojana*, the UTKARSH program will be a handholding project to be developed as a best practice of the College from 2023-24 onwards for the next accreditation cycle. The idea is to extend cooperation to other aided or unaided colleges who are at any level of their accreditation process.

**4. Cultural Intervention for experiential learning:**

- a. Setting up of **Arts and Drama Club** to foster the preservation of tribal folk art:  
The College plans to start an Arts and Drama Club in collaboration with other Drama Clubs from 2024-25. Experts in the field of Folk Art and Literature will be included in the project. The platform space created outside the college's main building will be used for this purpose. An enclosure is needed to make it usable. A storage room will also be required for the same.
- b. Starting a **Movie Club**:  
The Language Departments and the ED Cell will start a Movie Club from 2024-25 which will be a discussion forum for the students and teachers together. The ED Cell will have a commercial view by providing opportunities to students to sell tickets at a minimal rate and eatables during the show. The present auditorium and AV room will be used for the screening with a few more additions like a sound system etc.

**5. Infrastructure:**

- a. Boys Hostel: The renovation of the existing structure of Boys Hostel is under consideration to cater to the requirements of the students. Many students wait to get a place in the outside hostels with the result that they
