SOP FOR CONDUCTING ONLINE TEACHING LEARNING & CONTINUOUS EVALUATION

The responsibility of ensuring smooth and timely conduct of e-learning and assessment will be shouldered by members of **E-Learning and Continuous Evaluation Committee** which is Constituted as follows:

1. Dr. Gharat (UG – Arts faculty)
2. Prof. Bhoyar (BCom (Marathi Medium))
3. Prof. Shahu (BCom (English Medium))
4. Prof. Chandak (BCom(Computer Application))
5. Prof. Rajashri Meshram (BBA)
6. *Respective* HoDs (PG Programs)

ONLINE TEACHING LEARNING & CONTINUOUS EVALUATION SOP

1. Form WhatsApp Groups for each class for example BA-I, BA-II, MCOM-I, MA(Eng.)-I etc.

2. Add all concerned teachers to this WhatsApp group so that everybody is able to communicate with the students as and when required.

3. Create Google classroom for each course / subject. In case the class room is already created for any class, the mentor needs to ensure that the SOP is followed in totality.

4. Ensure that the concerned teachers are added to this class.

5. In each created class, create topics as unit-1 unit-2 unit-3 and unit- 4

6. In each unit create and add lectures as lecture 1, lecture 2, lecture 3 etc. as per your individual lecture plan.

7. Please add your coordinator/HOD to created class using people's tab. It is compulsory to add nsmcolleges@gmail.com as teacher to every class.

8. Each Teacher will create a Zoom or Similar platform Link for conducting on-line classes. The Zoom platform is preferred as recording there is easy and consumes less space. Each Teacher should share the link and password if any on the designated WhatsApp group.

9. S. B. City College is keen on inclusive learning. It is quite possible that the students attending might face multiple problems related to hardware, software or connectivity during an on-line class. Continuing with the policy of *education for all* and *anytime learning,* it is decided that each subject teacher shall upload *minimum* 5 videos per unit i.e. 20 videos per 4-unit course such that the total contents of unit and syllabus are covered. This will be done to ensure *asynchronous teaching-learning.* Asynchronous teaching learning shall not only take care of slow learners but will also help all those who could not attend synchronous teaching. The duration of each video should be between 20-30 Minutes.

10.   Please note that it is recommended to record and upload every lecture on Google classroom. Those who cannot do it for any reason must follow at least point number 9 above. Those teachers who require training in handling Google classroom and also in recording lectures must submit an application to the Principal so that their training can be arranged immediately.

11.   As part of the continuous internal evaluation, online tests/Quizzes based on the Course Outcomes in the form of MCQs / Oral tests / presentations assignments etc. for each unit shall be conducted. The schedule for such tests will be as under:

- **CO 1 Evaluation** – Within three weeks from the starting of the course (Marks 20)
- **CO 2 Evaluation**- Within five weeks from the starting of the course (Marks 20)
- **CO 3 Evaluation** – Within seven weeks from the starting of the course (Marks 20)
- **CO 4 Evaluation** - Within nine weeks from the starting of the course (Marks 20)
- **CO 5 Evaluation** - Within eleven weeks from the starting of the course (Marks 20)

The average of the above evaluations shall be considered for the Internal assessment (out of 20) required by RTMNU, Nagpur.

After each Outcome based evaluation, the marks out of 20 shall be entered under respective column of CIE as mentioned in the Course Booklet (Attendance Diary). All the assessment details should be maintained by the Coordinators. Exceptions, if any, should be reported in writing to the IQAC Coordinator by the respective Coordinators within 7 days of completion of assessment.

12.   Each Google classroom must contain the syllabus, previous years' question papers, additional reading materials, e books, sample MCQs with answers, minimum 5 videos per unit, YouTube video links, for self-study purpose etc. The subject/course teacher must use the e-Learning platform effectively.

Vision & Mission of the College

Vision :

To develop this college into an excellent Centre of Education for Humanities and Commerce. To serve the Literary, Entrepreneurial, Moral, Physical, Managerial, Social, Cultural, Sports and Employment oriented education as per the need of the region. We also desire to promote research and ICT in education to inculcate global competencies among the students.

Mission :

The Mission of the College is to look into and work for the welfare of the students. The mission statement reads तत्सुखसुखित्वम् (Our welfare lies in the welfare of the students).We believe that the students are at the pivotal and the teachers and the Management are only instrumental. The Institution aims at providing affordable quality education to the cross section of society, cater to diverse needs and inculcate global competencies.

Program Outcomes - UG

Students of all undergraduate general degree Programmes at the time of graduation will be able to......

PO1. Critical Thinking: Take informed actions after identifying the assumptions that frame our thinking and actions, checking out the degree to which these assumptions are accurate and valid, and looking at our ideas and decisions (intellectual, organizational, and personal) from different perspectives.

PO2. Effective Communication: Speak, read, write and listen clearly in person and through electronic media in English and in one Indian language, and make meaning of the world by connecting people, ideas, books, media and technology.

PO3. Social Interaction: Elicit views of others, mediate disagreements and help reach conclusions in group settings.

PO4. Effective Citizenship: Demonstrate empathetic social concern and equity centred national development, and the ability to act with an informed awareness of issues and participate in civic life through volunteering.

PO5. Ethics: Recognize different value systems including your own, understand the moral dimensions of your decisions, and accept responsibility for them.

PO6. Environment and Sustainability: Understand the issues of environmental contexts and sustainable development.

PO7. Self-directed and Life-long Learning: Acquire the ability to engage in independent and life-long learning in the broadest context socio-technological changes.

INSTRUCTIONS

☞ Write the full name of the students in legible hand-writing.

☞ Please mark 'P' for Present and 'A' for Absent.

☞ Mention the date of your lecture in each column.

☞ Inform the students who have exceptionally less attendance after every 20 lectures and mark ATR as Y / N.

☞ Enter % attendance of student at the end of course.

☞ Under Continuous Internal Evaluation (CIE), you have to conduct minimum 5 assessments of 20 marks each. Each assessment shall be linked to one CO. The modes of assessment can be Unit Test, Assignment, Viva, Presentations or any other innovative assessment tool. Maintain record of assessment tools used at the end of the register.

☞ Based on the student performance in induction program "Vidyarambh" and the score in the "Welcome Test", you have to mark a student as Advanced Learner (with green ink) and Slow Learner (with red ink). This identification should be completed by the end of 20 lectures i.e. by first ATR.

☞ The teacher is expected to engage Extra / Remedial / Tutorial classes during the course and is expected to mention it with same symbol, like E / R / T.

☞ The teacher should mention the Use of ICT (if any) at the bottom of the attendance page in the space provided for it.
