One Day Multidisciplinary International Conference

Subject : Mahatma Basaveshwar : Democracy and Modernity

In the 12th century when the monarchy was entrenched, Mahatma Basaveshwar emphasized on the creation of democratic values and promoted democracy through Anubhav Mantapa. Mahatma Basaveshwar, who gave the idea of democracy to the people, is seen as a forward thinker of the times and that is why his vision was recognized. The initiative taken to create democracy and modernity was as important as it was in front of his time.

The significance of Mahatma Basaveshwar's philosophy lies in realizing the presentation of his thoughts after nine centuries. Although his struggle for the values of freedom, equality, justice, fraternity and humanity has been written in history, his efforts to create an egalitarian society during this period were more serious and challenging than the challenges of today. The fact that he received public support without hesitation was unprecedented for India. Such clarity was provided by Arvind Jatti. He explained his role as an Key Note speaker in the international conference held at Shree Binzani Nagar College.

The conference was organized on the theme Mahatma Basaveshwar: Democracy or Modernity. Inaugural Dr. Nagorao Kumbhar said that Basava philosophy was important for the builder of democracy and because this philosophy came from the vernacular, it became important for the common people. Due to this, public awareness was created in a big way.

Shri Mohitji Shah, President of Nagpur Teachers Board, Secretary, Adv. Dr. Rajeevji Dev, President of Political Science Faculty Council. Dr. Alka Deshmukh, Principal of Shri Binzani Nagar College. Dr. Sujit Metre, Director of Vasanttrao Naik Government Institute of Arts and Social Sciences. Manohar Kumbhare, Secretary of the Council, Dr. Rahul Bavage was present.

This conference was attended by Dr. from New Zealand. Lina Kalburgi addressed while the American-based Dr. Srishail Hadimani delivered his address through audio-visual. Four parallel sessions were concluded in this conference. Basava's expert thinkers presented his philosophy and explained his philosophy. 12 researchers read their research papers in this
